Subject: Youth Theme for 2023

We commend you for your diligent efforts in helping the youth embrace this year's theme from Proverbs 3:5–6. Youth in your stewardships are being blessed by your teachings and leadership at home, in Church meetings, and at activities based on this theme.

The youth theme chosen for 2023 is “I can do all things through Christ which strengtheneth me” (Philippians 4:13).

Parents and youth leaders are encouraged to teach principles from the theme at home and at church throughout the year. In addition, the theme can be used as a topic for sacrament meeting talks given by youth and can provide focus for youth activities, including camps, youth conferences, and devotionals. The theme will also be emphasized during FSY conferences worldwide.

Resources—including music, videos, and art—will be available on ChurchofJesusChrist.org, on social media channels, and in the *For the Strength of Youth* magazine. An email will be sent to leaders later this year when these resources become available.
